From the Principal

Education Week
This week is Education Week and our focus for this week is on ‘Mindfulness’. The whole school is participating in activities focussed on Mindfulness and on Friday the children will have an incursion presented by the Resilience Project. Thank you to PPA for supporting the Resilience Project Incursion.

School Leaders - Tours
The Grade 6 School, House and Vice Captains put their leadership skills to good use on Open Day and Night. The Leaders conducted tours of the school with prospective parents. The children did an outstanding job; we received many positive comments about how confident, articulate and proud of their school the children were. A huge thank you to: Matthew M, Jack P-S, Charlee H, Sanjini R, Mack L, Brodie M, Tori S, Tori B, Grace B, Liam D, Chris B, Mitchell R, Angus B, Marcelle C, Sascha P, Mae G, Oscar G, Ben Mc, Olivia Mc and Matthew S.

Parking Around the School
I have again been contacted by a number of parents in regards to people parking in No Standing areas and the Drop Off Zone around the school.

Parking around the school is always difficult at pick up and drop off times. The number one priority needs to be the safety of the children. The front of the school has a Drop Off Zone and Pick Up Zone. This is literally a Kiss and Go zone. Parents are not to park in this area for extended periods of time.

There are No Standing signs at the back of the school which also need to be obeyed. The No Parking/Standing signs are there for a reason and to ensure the safety of the children. When parents park in No Standing areas they congest the roads and block the view of others which in turn puts the safety of our students at risk.

Parking across driveways is also illegal and affects the neighbours getting in and out of their homes.

We ask that all parents obey the Drop Off Zone and No Standing/Parking areas as this will assist in allowing the traffic to continually move. These areas work, but it relies on all parents doing the right thing for the safety of all children.

Curriculum Day
A reminder that next Thursday 26th May is a Curriculum Day - Pupil Free Day. This will be a Reporting Day for Staff. Camp Australia will be open on this day, it is essential parents book online as soon as possible if they need this service.

**Working Bee**
There was a great turn out of families on Sunday and much was accomplished on the day including; weeding, pruning, clearing of drains and planting. The natural play space was also added to including building garden boxes, more stepping stones, painting wooden toadstools and building a sandpit kitchen out of an old BBQ. A huge thank you to all the families who donated their time and attended the Working Bee on Sunday.

**Big Green School’s Conference**
On Friday the Environmental Leaders will attend the Big Green Schools Conference. This Conference is held every year. Representing the school on this day will be; Callum B, Saige H, Bec B, Katie G, Selina S, Karl N, Sarah W and Erika K. Thank you to Miss Beglau for organising the children. We look forward to hearing all about the day.

**Enrolments 2017**
If you are a current parent at the school with a Prep child starting school next year, could you please complete an Enrolment Form as soon as possible, these can be collected from the office. We would like all other enrolments by Friday 5th August, as this assists us with planning for 2017.

**PSW SCHOOLWEAR - Uniform Shop**
Please be aware that the PSW Uniform Shop in Cheltenham will be **closed on Tuesday, 14 June 2016** for stocktake.

It will re-open on Wednesday 15th June.
AND NOW A WORD FROM MRS RICHARDS .......

The yard can be a very busy place at lunchtime and to alleviate this we run lunchtime clubs each day. These clubs change each term and we endeavour to provide options for each grade level on each day. Some new clubs this term include Publishing Club where the children in grades 2-6 can take stories that they have written and publish them with the help of Mrs Tyers and Miss Dennis. Out the Front Club is offered to Grade 3-6 children. Mrs Glew and Mrs Johnson take a range of games and puzzles and the children enjoy these at the front of the school. Coding Club is extremely popular on Thursdays and the Catch Up Club has provided a great option for children who would like to finish school work/homework in a supported setting. Prep – 2 children continue to love Dress Up Club, Lego Club and Library days. Friday is Garden Club which continues to grow in popularity - particularly on days where they cook garden produce!! Below are some happy snaps of children enjoying lunchtime clubs and a club timetable is attached to this newsletter.

Greg Murphy. This is my second year on the council. I have 2 children in the school, Grades 3 and 1. If you have anything that you would like to talk to me about in regards to the school, please come find me at pick-up and let me know. I am almost always around the Grade 1 block and am very happy to talk to you about any issue involving the school. I have also been known to spend hours talking about football, football and football. And also football.

My name is Melinda Rowe and I am Vice President on Parkdale Primary School Council. I have 3 sons at the school, Locky in Grade 6, Hunter in Grade 4 and Decky in Prep. We as a family have been at the school for the last seven years, and have seen the school undergo lots of change and development for the better, and in my role as Vice President, I hope to see the school continue to be a educational benchmark that everyone wants to attend.

Hi, my name is Paula Boyd & this is my third year on school council as the PPA representative. As a lifelong local resident, business owner & parent (Mackenzie Gr6 & Jayda Gr3), I believe that a broad range of life experiences combined with formal education are invaluable to a child's upbringing. It is this view & my combination of experience that I am able to offer to school council with the hope of making our school a wonderful place of learning & development for our children. I also believe the parent community is vital in the success of our school & by having a supportive, engaged, interested & focused school council our children will reap the benefits. I enjoy having an input into my child's school life & love the interaction with other parents, both in the yard & on the PPA, so am happy for anyone to approach me with any queries or for a chat.

Hi I'm Natalie Caughhey. Dave and I are parents to Tasman (3/4B), Matilda (2B) and Alice who attends 3 year old kinder...but can't wait to be a schoolgirl! I've enjoyed being part of the primary school community with my kids over the past 4 years and am now looking forward to being part of Council to further improve our fantastic school. I am continuing my role as part of the 'Buildings and Grounds' team with Rebecca Symons, this year. I'm a strong believer that the quality of the learning environment can have a positive effect on student learning and wellbeing, so am keen to explore ways to make Parkdale Primary an even better place to be.

In my second year on School Council, I am again looking forward to working with Nats Caughhey to continue the development & transformation of the school's outdoor spaces to ensure our children have a creative, inspiring & beautiful environment in which to play, learn & grow.
Lisa Warner. I am a very lucky Mum to three wonderful children, Morgan in her VCE Year at Mentone Girls Secondary, Molly in Year 8 at the same school and the ‘baby’ of the family Max just beginning his Parkdale Primary School adventure in Prep this year. My role on school council is as social liaison coordinator which oversees the class representative program, a very important part of our school community and one that continues to grow every year. I run my own event management business which amongst other school activities (the annual School Fair being a favourite) keeps the whole family very busy! We all love being a part of our amazing school and are incredibly proud of what the school has achieved and what the future holds – and it looks like we still have plenty of time left here to enjoy it all!

Hi, my name is Linda Harvey. This is our 5th year as a Parkdale primary family. I have a son Hugo in grade 4, and a daughter Lulu in Grade 1. You may see me around the school on Fridays in my gum boots smelling like compost after an afternoon at Garden Club!

Leanne Palazzolo - I have 2 daughters Jorja in Year 7 at Parkdale Secondary College and Tayla in Grade 1. I have had the absolute pleasure of watching our school grow and change over the last 8 years and have been involved in PPA, School Council, the school Fair and the school Ball. I do love being part of our school community (we are very lucky to have amazingly involved parents and amazing teachers for our kids). This year I am School Council President and am super excited to see our preppie/toilet block area getting the much needed makeover it needs and I am very excited to be a part of that.

My name is Nicole Scherger and I am the School Council Treasurer. I have been part of the school community since 2005 when my oldest son Zac started in Prep. Currently I have Matt in Grade 6.

Parkdale Primary has given our children lots of opportunities and I love the fact that we are given the chance as parents to give something back to our amazing school.
WHAT'S HAPPENING?

PREP
This year our topic for Education Week was 'Mindfulness'. It fitted in very well with our 'Healthy Me' topic! The Preps, like the other children in the school, took part in various mindfulness activities such as mandala colouring, listening to relaxing music and meditation stories as well as a 'Mindfulness' incursion tomorrow.

We start our Yoga sessions on Friday which will be lots of fun! Please remember to dress your girls appropriately (pants or leggings) as there will be lots of active movements that can be tricky when wearing dresses!

Don't forget tomorrow is 'Show and Tell'. Children have been asked to bring along a collage or drawing of their favourite dinner. We can’t wait to see all the yummy healthy dinners!

GRIND 1
The children have done a great job recovering from swimming and settling back into our normal classroom routines! This has been assisted by our Education Week focus of 'Mindfulness'. The children have enjoyed practising mindfulness through a variety of means including: mindful colouring, mindful mediation and emotional literacy.

This week we have begun looking at a new CAFÉ fluency focus ‘Use punctuation to enhance phrasing and prosody’. Using this strategy we aim to have children compare their reading of texts with their spoken language. We begin by modelling how we would read a text, focussing on scooping the words and controlling our voices to read clearly with appropriate intonation.

This week our Spelling focus is the short ‘a’ vowel sounds as in apple and ant. Students also began looking at our new Maths topic this week of ‘Place Value and Money’.

GRADE 2
It has been great to see the children embracing our ‘Mindfulness’ theme for Education Week this week! Students have had the opportunity to discuss what it means to be mindful, and to try out some different activities that promote awareness, focus and wellbeing. We are looking forward to a whole school incursion this Friday.

As part of our Inquiry topic, ‘All Mixed Up’, the Grade 2s enjoyed a visit from ‘Hands-on Science’. Students worked together in teams to sort and categorise different materials, and to investigate how effectively different substances mixed together or separated.

We have been focusing on number patterns in Maths groups this week. Students have been developing their ability to use mathematical language to explain similarities and differences between different counting patterns.

Grade 2 .... Cont’d
Lots of practise skip counting by 2s, 3s, 5s and 10s beyond 100 from different starting points will help build number fluency.

GRADE 3
Welcome to Week 6!
Education Week was a great success with ‘Mindfulness’ activities happening on a daily basis across the school. We were very impressed with the children’s prior knowledge of mindfulness and we hope that they were able to build on this with activities they undertook throughout the week. The children are so excited about The Resilience Project incursion tomorrow ... and so is Mrs Free!

Thank you to those who have returned their Camp Notices already. Please return these by Monday 16th May. If you require a new notice please see your class teacher.

GRADE 4
Now that we are halfway through the term, children should be half way to their AR target. Please keep supporting your child with their home reading program.

Congratulations to the recipients of AR Certificates this week: Rex C, Logan D, Amelie D, Matilda P, Sammy R, Josh S, Thomas J, Xavier S, Issey B, Tas C, Eddie T, Kya G and Neve J.

GRADE 5/6
This week we have been preparing for our upcoming incursion with Media Studies Roadshow. All students will be participating in Animation, Radio Show and TV Show activities on either Monday or Tuesday.

Our Bizarre Bazaar businesses have been presenting their advertisements and products to the Grade 3 and 4 children this week.

The students’ have been busy completing their Business Plans in readiness to start the production phase of their products.

We have been completing ‘Mindfulness’ activities this week as part of our theme during Education Week.

Interschool Sport this week will see the A team playing at home against Mentone and the B team playing away against Mordialloc.

And thanks to all those who came, contributed, but forgot to sign in!

We were really enthused to have such a great turnout at the first working bee of 2016.

We achieved an amazing amount of work including...
weeding, pruning, building garden boxes, planting, painting ‘toadstools’ in the natural play space and building a sandpit ‘kitchen’ out of an old BBQ!

Keep an eye out in ‘Focus’ for our next working bee date...we’d love to see you there!

Natural Play Space special request... COOKING EQUIPMENT!

At our recent working bee Dave Caughey (Tas & Matilda’s Dad) turned an old BBQ into a sandpit ‘kitchen’.

We invite families to extend the children’s learning at play time by donating pots, pans, muffin tins, cake tins and cooking utensils for the children’s use.

Op shop finds welcome!
Please place your donations in the prep breezeway sandpit toy chest or on the upcycled BBQ ‘kitchen’ next to the rock sandpit.
