

Dear Parents,

To complete enrolment we are required by the Department of Education and Training –

- . to sight your child's birth certificate, extract of birth or passport.
- . to keep on file a Certificate of Immunisation Status for Primary School Enrolment.

This is available from the Australian Childhood Immunisation Register - Ph: 1800 653 809 – after your child has received all their immunisations.

Please note we are **unable** to accept the Immunisation History Statement or details from the yellow-covered Community Health Book.

If you have any queries regarding the above requirements, please contact the school office on 9580 1451.
