From the Principal

Parent Teacher Interviews
Parent Teacher Interviews were held on Tuesday and Wednesday afternoon/evening. It was wonderful to see so many parents take the opportunity to meet with their child’s teacher and discuss their first semester’s progress and achievements.

Cross Country
Congratulations and well done to all the students who participated in the Regional Cross Country today. You should be extremely proud of your achievements in making it to this level.

End of Term 2
Schools are extremely busy places and we see ourselves at the end of term 2 already. It has been an incredibly busy but extremely productive term. The term has consisted of many events: Education Week, Grandparents’ Morning, Mother’s Day Breakfast and Stall, Interschool Sport, Aerobics, Cross Country, Swimming P-4, Aerobics, Kinder Visits, Wellbeing Week, Grade 5/6 Market Day, as well as many Excursions and Incursions.

The children have really enjoyed the topics they have been learning about in the classroom and the work they have produced has been of a very high standard.

We concluded Term 2 with our Cancer Council Cup Cake fundraiser and Crazy Hair Day. A big thank you to PPA and the SRC for organising and running this event for a very worthy cause.

Next term we look forward to Grade 3/4 and 5/6 Camps, Snow Sports Camp, PPA Social night, Japanese Day and the whole school will be participating in our Olympic theme.

Friday Assembly
We will aim to have an Assembly tomorrow morning, instead of the afternoon, to hand out ‘Star of the Week’ Awards. Hopefully, it will not be raining.

We hope everyone has a safe, relaxing and enjoyable holiday break. Term 3 begins on Monday 11th July.

End of Term 2: Friday 24th June, early dismissal - 2:30pm.

AND NOW A WORD FROM MRS RICHARDS 

At Parkdale Primary School we use a number of approaches to student wellbeing and the development of social skills.

The You Can Do It! Program begins at Foundation level (Prep) and continues to be consolidated throughout the school culminating in the 12 Habits of the Mind in Grade 5/6. This is a program that is concerned with the development of children’s social and emotional capabilities, including the five foundations: confidence (academic, social), persistence, organisation, getting along, and emotional resilience. Skills are taught explicitly in structured lessons using role play, stories, games and activities.

The 12 habits of the mind foundations are incorporated into the Grade 5/6 program.

1. Accepting Myself  
2. Being Independent  
3. Can Do It  
4. Giving Effort  
5. Working Tough  
6. Setting Goals  
7. Planning My Time  
8. Being Tolerant of Others  
9. Thinking First  
10. Being Tolerant of Others  
11. Playing by the Rules  
12. Social Responsibility

Self-regulation skills are also taught such as the “Stop Think Do” approach which is taught using traffic light colours. Before doing something you are not sure is the right thing to do; Stop—take a moment to pause Think – is it the right thing to do? Will it hurt someone? Will I get into trouble if I do this? Do – the right thing! Make a good choice. Children are also taught the 3 Step rule to problem solving and this is reiterated regularly. If someone is doing something that bothers you: Step 1 – Tell them “Stop it, I don’t like it!” (in a very firm voice) Step 2 – Tell them “Stop it or I am going to tell a teacher” Step 3 – Tell a teacher. The exception to the 3 Step rule is if someone is physically hurting you then it is straight to Step 3!

The MyTern resilience program runs throughout the school, focusing on children being in charge of their own emotions. It teaches them that they can control the way that they respond to everyday stresses and challenges. (A parent information evening on MyTern will take place next term on Wednesday 13th July at 6pm)

Displayed in all of the classrooms are THINK posters such as this one. During Education Week the posters were introduced to the children in an effort to have them ‘think’ more carefully before making comments to others that may be construed as ‘mean’, ‘nasty’ or unnecessarily critical.

Enjoy the school holidays everyone. I know I am looking forward to a couple of weeks of catching up on some reading and spending time with my family. I am not so looking forward to the spring clean of my house that I have planned but it is a necessary evil!
WHAT’S HAPPENING?

PREP
First of all, congratulations to all the Preps for completing half their first year of school! We are so proud of how far you have come.

The last couple of weeks we have been learning about ‘Needs and Wants’. We made cute little peg people to take care of and tomorrow we are making them a home.

Don’t forget to bring in a shoebox if you haven’t already as we are still a bit short.

We loved Crazy Hair Day this week! Everyone looked so great with all their fancy hairdos!

We hope you all have a safe and relaxing holiday. See you next term!

GRADE 1
We have had a fantastic term in Grade 1! We have enjoyed looking at the ‘Weather in Our World’ and cannot believe how lucky we have been with the crazy weather we have hit by throughout the term.

This week we finished our Maths focus of Addition strategies! The children have amazed us with their growing ability to quickly recall basic addition facts and we have encouraged them all to keep practising these skills during the break.

It was lovely to have a chance to chat with you all about your child progress. If you have any follow up questions or concerns please do not hesitate to email us.

This Friday we will be having an early finish, and children will be dismissed at 2:30pm.

Mel Johnson will be taking the leap and shaving her head this Friday to help raise money the National Breast Cancer Foundation! We wish her the best of luck for Friday and are happy to say she has stocked up on plenty of warm beanies to get her through the Melbourne Winter!

We hope you all have a safe and happy break and are looking forward to another busy term!

GRADE 2 .... Cont’d
We are encouraging all students to have a well-deserved rest over the holidays! Keep up the home reading – remember you can record any texts read in your child’s reader cover, not just books from school.

Happy holidays and we look forward to a fun Term 3!

GRADE 3
Congratulations to all the students on a great term. We’re looking forward to a fun filled Term 3 starting with Camp in Week 2, commencing an exciting Inquiry topic; Living and Non-Living Things and enjoying all things Olympics!

We hope you all enjoy the break!

GRADE 4
Our students enjoyed a Basketball Clinic this morning during their P.E. sessions with Mr Anderson. This was a fun way to end the term.

A reminder that our Camp is during Week 2 of next term. We have sent home another copy of the camp clothing list so that families can take advantage of holiday sales if needed. All children will require a water-proof coat. As our camp is in Winter, we will be participating in as many events as possible even if raining.

As we wrap up our second term, we would like wish our students a very safe and relaxing holiday.

Congratulations to the recipients of AR Certificates this week: Noah G, Lucy W, Ava P, Grace S, Rebecca W and Matthew B.
GRADE 5/6
The students have completed a wonderful first semester in 2016. Term 2 was full of many exciting activities none more than our Market Day. The students have had enormous success and have raised over $1500 split evenly into 6 charities chosen by each of the Grade 5/6 and Grade 5 classes. The teachers couldn’t be more proud of the application and creativity shown towards this project.

We have 3 teams competing in Interschool Sport Finals tomorrow. The Tee Ball A and B teams play each other on our oval which will be a hotly contested game. Our other finalist is Ms Coe's infamous Volleystars team who play off against St Brigids in the gym. Good luck to all the students involved.

Well done to all the students who competed in the Regional Cross Country and battled the challenging winds.

The Grade 5/6 team wishes all students a well earned break and look forward to seeing them back fresh and ready for another busy term.
