

PARKDALE PRIMARY SCHOOL

GRADE 2 INFORMATION

CLASS TEACHERS:

Sally Murphy (co-ordinator)
Taylor Glew/Emma Tait
Michelle Dolling
Jarrod Sing

2017 TERM DATES

Term 1: 31st January to 31st March
Term 2: 18th April to 30th June
Term 3: 17th July to 22nd September
Term 4: 9th October to 22nd December

SCHOOL TIMES

9am	SCHOOL STARTS *fruit break in morning session
11:30am – 12:00	RECESS PLAYTIME
1:40pm – 1:50pm	CHILDREN EAT LUNCH IN THE CLASSROOM
1:50pm – 2:40pm	LUNCH PLAYTIME
3:30pm	SCHOOL FINISHES

CURRICULUM

The Victorian Curriculum F–10 sets out what every student should learn during their first eleven years of schooling. The curriculum is the common set of knowledge and skills required by students for life-long learning, social development and active and informed citizenship. The Victorian Curriculum F–10 incorporates the Australian Curriculum and reflects Victorian priorities and standards.

LITERACY

The English curriculum encompasses 3 language modes: Reading, Writing, Speaking and Listening. Literacy sessions are run each morning (and middle session depending on the specialist timetable). Within this time there will be a reading and writing session. Spelling, grammar and punctuation are also formally taught.

READING

In Grade 2, reading takes place within the classroom each day and is encouraged as much as possible at home (ideally, every night or morning). We ask that you continue to listen to your child read aloud, and discuss characters and events to assist with building a range of comprehension skills. At school, children will read independently, to one another, to parent helpers, to their teacher, and in small groups.

The CAFÉ Daily 3 is the structure we use during our reading time. The choices are:

- Read to self
- Read to partner
- Listen to reading

CAFÉ is an acronym for the four major components of reading. They are:

- C for Comprehension (I understand what I read and can infer)
- A for Accuracy (I can use a range of strategies to read the words)
- F for Fluency (I can read smoothly, with expression and with few errors)
- E for Expanding Vocabulary (I know, find and use interesting words)

The children will learn reading strategies within each category. These strategies will become tools for the children to use to help themselves become better readers and writers. We will keep you informed when new strategies are introduced. Then, when you read with your child at home, you will be able to reinforce these concepts.

READING/CLASSROOM HELPERS

Your assistance and support is greatly appreciated. You are welcome to help out during reading time by listening to children read.

**All parent helpers need a current Working with Children Check (WWCC). Please show this to your child's teacher and ask the office to make a copy, so you can help out in and around the school.*

WRITING

Throughout the year, the children will be exposed to a variety of text types. They will create a range of imaginative, informative and persuasive texts, with a focus on purpose, structure, language features, spelling, grammar, punctuation, rereading and editing.

SPELLING WORDS

Students will bring home weekly spelling words to learn for a quiz each week. These words will be based on a particular sound focus for the week, and will consolidate students' understanding of phonemes (sounds), graphemes (letters), syllables and parts of speech (e.g. nouns, verbs, adjectives, adverbs).

NUMERACY

Mathematics has 3 strands: Number and Algebra, Measurement and Geometry, and Statistics and Probability. At Parkdale P.S, we use a program called Envision Maths as a guide. All children are placed in like-ability groups. All groups cover the same topic at the same time. Children are pre-tested on the upcoming concept which enables us to group the children accordingly and plan activities and lessons which are directly suited to their individual needs.

INQUIRY UNITS

The inquiry units for this year are as follows:

- ★ 'Learning how to Learn'/'Our Community Past and Present'
- ★ 'Earth's Precious Resources'
- ★ 'Super Scientists'
- ★ 'Habitats'
- ★ 'Forces: Push or Pull?'

Keep an eye on our 'What's happening in Grade 2' (in Focus and on our website page) for updates about our inquiry units. If you have any DVD's, books, posters or items relating to our themes, we would love to borrow them to share with the grade. Remember to name all items so we can return them to you.

Grade 2 SPORT

Students participate in a variety of sporting activities each Thursday afternoon. Students wear their House coloured t-shirts, runners, hat and sunscreen on this day.

HOMEWORK

READING - All children are expected to read with an adult for a minimum of 15 minutes each night or morning. Please record and sign every day of reading in the reader cover.

SPELLING - The children will focus on a group of spelling words each week and learning these will be part of their homework requirements.

We also encourage the children to practise skip counting and number facts at home. Mathletics is a wonderful online resource to consolidate knowledge and skills. Children use their existing username and password each year (please email your child's teacher if you require a copy). Through our 'What's Happening in Grade 2', we will keep you informed about what Maths topic and concepts we are covering and let you know of any activities you can do at home to help assist your child.

LUNCHTIME CLUBS

Lunchtime clubs will continue to run this year. The clubs include coding club, garden club, choir, Lego club and Gerry Green club.

COMMUNICATION:

NEWSLETTER – Each week the school publishes a Newsletter online. Please ensure you read it regularly. It not only contains our “What’s Happening” section, but valuable information and dates. <http://www.parkdaleps.vic.edu.au/>

SKOOLBAG APP – This is a fantastic app that the school uses to send out notifications and that you can use to inform us of student absences.

READER BAGS (NOTICES)

Excursion forms and any other important information will be sent home in your child’s navy blue reader bag. You can also send notes to us in this bag. Please encourage your child to be in the habit of checking for notices each day when they get their reader out, at home and at school, and to pack the reader bag in their schoolbag each day.

ABSENCE NOTES

If your child is absent from school for any reason please send an email, note or use the Skoolbag app, as this is a requirement for auditing.

WHOLE SCHOOL ASSEMBLY

Whole school assemblies are held every Friday afternoon at approximately 3:10pm outside in the central quadrangle. ‘You’re a Star’ awards are presented at the assembly and published in Focus. Students will come back into the building to collect their bags after assembly before being dismissed.

UNIFORMS

Hats are compulsory until the end of April and then again from September onwards. Children need to wear their hat outside during recess, lunch, sport and PE lessons. Hats can be purchased at the school office. If your child does not have a hat they will need to play in the shade.

SCHOOL RULES

These are the school rules from our Welfare and Discipline Policy. We are constantly reinforcing these and would appreciate your support in sending a consistent message, so all students can feel safe and happy at school, and maximise their learning opportunities.

- * Be kind, friendly & fair
- * Follow instructions
- * Act safely
- * Show respect for others and property
- * Stay in the correct areas
- * Take responsibility for your own actions

STUDENT WELFARE

MYTERN

As part of our welfare focus, Parkdale Primary uses the MYTERN approach and language across the whole school. MYTERN develops emotional resilience in children leading to better self-belief, confidence in their own abilities and greater problem solving skills.

RESILIENCE PROJECT

We are very excited to announce that we have officially become a 'Resilience Project School'. The three components of the program are: Gratitude, Empathy and Mindfulness.

The Resilience Project aims to teach positive mental health strategies and to deliver practical strategies to build resilience. The Resilience Project curriculum will be integrated throughout the school from Foundation to Grade 6, and all students will receive a journal to assist with the program. Students will engage in a range of activities and evidence based approaches to build resilience, in order to develop mental health. The Resilience Project will coincide with our 'Super Six' values: Respect, Responsibility, Resilience, Integrity, Cooperation and Excellence.

*** For the Resilience Project to be a success at our school, we need your support! Please come along to the Parent Info Night on Thursday 23rd February and help make a positive change in our community and support mental health.

OnPsych provides an avenue for behavioural and mental health care to students (through Medicare rebate). Please see your classroom teacher or Tracy Richards if you feel this program would benefit your child.

FIRST AID (ANAPHYLAXIS, ALLERGY AND ASTHMA MANAGEMENT PLANS)

If your child has an anaphylaxis, allergy or asthma management plan that has not been given to the school and/or updated since February 2016, could you please make arrangements for the plan to be updated, including a recent colour photo of your child, and handed in to the school office as soon as possible.

If your child has an anaphylaxis management plan, their class teacher and other staff will be creating an Individual Management plan for your child relating to both school and extra-curricular activities. This plan will be developed in consultation with the child's parents/guardian. Should you have any queries regarding the above information, please contact Casey Blacklaw (Grade 4B).

SPECIALIST PROGRAMS AT PARKDALE P.S

DIGITAL TECHNOLOGIES – MISS ANDREA SMITH

Digital technologies at this level concentrates on the introduction and reinforcement of a variety of computer skills, while building on the use of publishing software within Microsoft Office. Students will begin to use the internet for research and will learn about how to be safe online. Students will use simple robots to learn about programming and coding.

LIBRARY

Library borrowing will resume once the Foundation building is completed. All children will need to have a bag so they can borrow library books and these need to be returned each week.

MUSIC – MRS DIANNE MEEK

In Music, the focus is on learning how to sing appropriate songs in tune, encouraging solo singing and part-singing.

In Drama, students learn how to follow and act out simple scripts, as well as showing how movement can be used to demonstrate feelings, moods and attitudes.

In Dance, students focus on basic dance moves and creating their own sequences of moves to accompany different styles of music.

*CHOIR WILL BE HELD DURING LUNCHTIME -DAY TBA.

PHYSICAL EDUCATION – MR. CLIFF ANDERSON

Each week students participate in one 50 minute lesson where they work on fitness and fundamental motor skills including ball handling skills.

We ask that your child wear their runners (no black-soled shoes please) on P.E days and for grade 2 Sport (Thursday).

P-2 Intensive Swimming Program – May 2017 at Bayside Aquatic
(Mentone Grammar)

JAPANESE – MAMI SHERWOOD

In Japanese, the focus for this level is to learn hiragana- the main writing system. Students will learn each letter with a mnemonic clue and practise using them through games and songs. Students will be able to identify hiragana letters on the chart and begin to read basic words, and develop reading strategies that can be applied in any language. Students will become more familiar with classroom language, and will be

encouraged to respond to questions and requests using familiar and formulaic Japanese words and phrases.

THE ARTS – VISUAL ARTS

We are very fortunate to have a beautiful facility for Visual Arts at Parkdale P.S.

The children attend Art for a 50 minute session each week.

As well as celebrating 'Art for art's sake', the Visual Arts Programme is structured to support the Inquiry Units that are undertaken at each level.

Starting point an expressive or imaginative impulse, an idea, an intention, or a stimulus including another artwork.	<h3>What we do when we engage in the Arts?</h3>	
	<p>Generating Imagining, engaging, expressing, playing, exploring, experimenting, taking risks, forming, designing, developing skills, developing processes</p>	<p>Conceptualising, exploring spatial dimensions, arranging, designing, making marks, sketching, inventing symbols, making visible, constructing</p>
	<p>Realizing Producing, refining, rehearsing, presenting, displaying, communicating, applying skills, applying processes</p>	<p>Interpreting materials, visual crafting, fabricating, manipulating, curating, displaying, exhibiting</p>
<p>Responding Apprehending – sensory/kinaesthetic/cognitive affective Comprehending – aesthetic knowledge of personal, social and external realms (understanding)</p>	<p>Feeling, describing, listening Articulating, assessing, planning, transforming</p>	

Note:

In Victorian Primary Schools THE ARTS is comprised of 2 strands – Performing Arts (Music, Dance, Drama, Media) and Visual Arts (Art). In your child's June and December report, Progression Points for the 2 strands are merged to form one progression point score. You will see this on the front dot page of the report. The *actual* score (before merging) will appear in the Visual Arts section of the report. It is important that you read the accompanying comments for Music and Visual Arts to gain a clear picture of where your child is at. Please come and talk to me if you would like more information.

The PPS Art & Craft Exhibition will be in Term 4!
 Sharon Clough, Visual Arts Coordinator, Parkdale P.S. 2017

If you have any questions please do not hesitate to pop in and see us after school. An appointment might be necessary if teachers have staff meetings to attend (Mondays and Wednesdays for Grade 2).

Mornings are generally not ideal for discussions, as teachers are preparing for their first lessons and should then be conferencing with students during CAFÉ Daily 3 reading.

Email is another good way to advise us of any extra information about your child, or to notify us about appointments during school hours, etc.
