

FOUNDATION SHOW AND TELL

TERM 1

Prep children love to bring things along from home to show to their teachers and classmates. Unfortunately our busy timetable means that we cannot do this every day! We have allocated Friday afternoons every second week for "Show and Tell". To make these sessions more meaningful we have set out a timetable for different items to be brought along. Children will be asked to talk briefly about what they have brought along and explain why they chose that item. They may also get the opportunity to answer questions about their item. We ask that **ONLY ONE ITEM** be brought along by each child please.

DATE	ITEM
Friday 10 th February	Free choice / something you would like to show everyone!
Friday 24 th February	Something that begins with the letter s or m.
Friday 10 th March	A favourite toy.
Friday 24 th March	A picture you have drawn or painted at home.
