Introduction

To comply with the requirements of the Victorian Occupational Health and Safety (OHS) Act 2004 and the Victorian OHS Regulations 2017 the Department of Education and Training (the Department) has implemented an OHS Management System (OHSMS) in all Victorian Government schools.

The OHSMS requires all volunteers to:

- report to the general office or designated site contact upon arrival at site
- complete an OHS induction using the Volunteer OHS Induction Checklist
- sign in and out and ensure their visitors pass is worn at all times whilst on Department or other premises
- have a current Working with Children Check, where applicable.

Department Health, Safety and Wellbeing (HSW) Policy

The Department has the *Health, Safety and Wellbeing Policy*, which has been endorsed by the Department Secretary and can be seen below:

- Lunch: **1:50pm – 2:40pm**
- Pick up: **2:30pm – 4:00pm**

Child Safety Induction Pack - Volunteers

Purpose

Thank you for your interest in volunteering at our school. The purpose of this induction pack is to ensure Parkdale Primary School volunteers are familiar with our policies and procedures relating to child safety and understand the important role they play in maintaining and promoting the safety of our students.

Volunteers must read the suite of policies and procedures in the links below before commencing any work where children are likely to be present.

Key messages

- Parkdale Primary School is committed to the safety and wellbeing of all children. We want children attending our school to be safe, happy and respected.
- We are committed to creating inclusive environment where diversity is supported, and students feel safe to bring their whole selves to school.
- Allegations and concerns relating to the safety and wellbeing of our school community will be treated very seriously and consistently with our policies and procedures.
- We are committed to preventing child abuse, identifying risks early and removing and reducing these risks.
- Everyone has a role to ensure children are safe – if something does not feel right, speak up. If you have any concerns about any inappropriate behaviours in the school community, you should speak to the Principal or Assistant Principal. If this would not be appropriate in the circumstances, you can contact the South Eastern Victoria Regional Office of the Department of Education on 1300 338 691.

Induction materials – **must read**

This induction pack contains the following documents that all new volunteers must read and familiarise themselves with. **Please click on the hyperlinks to access each document.** If you would prefer a hard copy of this pack, please contact the team in the office who will happily provide you with one.

Contact

We value your feedback on ways we can continue to improve and strengthen our child safety approach and encourage you to contact email with any comments or questions.

Site specific hazards

Asbestos

All schools are expected to have a Schools Asbestos Management Plan in the event of the discovery of suspected asbestos containing material (ACM) or the accidental disturbance of existing ACM.

If ACM has been identified in the school, the following process must be followed prior to the commencement of works:

- Asbestos Register **MUST** be checked at the time of sign-in when the proposed work involves drilling, scraping, sanding, sawing or any other destructive process.
- if work is to be carried out in the vicinity of Asbestos Containing Material, the Asbestos Coordinator [**Leanne Bradney, Principal, Ph: (03) 9580 1451**] must be consulted prior to the commencement of work.
- asbestos containing material may only be removed by a licensed removalist.

Hazardous Substances and Dangerous Goods

A copy of the Chemical Register and corresponding Material Safety Data Sheets (MSDS) are kept at reception and should be referred to in an emergency. All MSDS sheets can also be found on the Parkdale PS OHS Portal.

Animals/Wildlife

There is the potential to come into contact with domestic animals and wildlife while on this site. Should this occur, you must:

- do not approach any domestic animals (e.g., dogs) or dangerous wildlife
- report the sighting of any domestic animals or dangerous wildlife to the principal or their delegate
- do not reach into any holes or gaps in the buildings without first checking to see if it is safe.

Emergency Management

Emergency Procedures

On hearing the alarm:

- switch off all equipment
- proceed to the advised assembly area
- report to one of the wardens
- do not leave the assembly area until advised.

Leaving Site in an Emergency

All volunteers are required to proceed to the evacuation point and remain there until given clearance to leave by the Incident Controller or principal or their delegate.

Evacuation Point

The evacuation point is located at the **School Oval** and sign posted. Our offsite evacuation point is **Gerry Green Reserve** please refer to Evacuation Map for directions (Appendix A).
